

« ExtrasWanted »

Team W

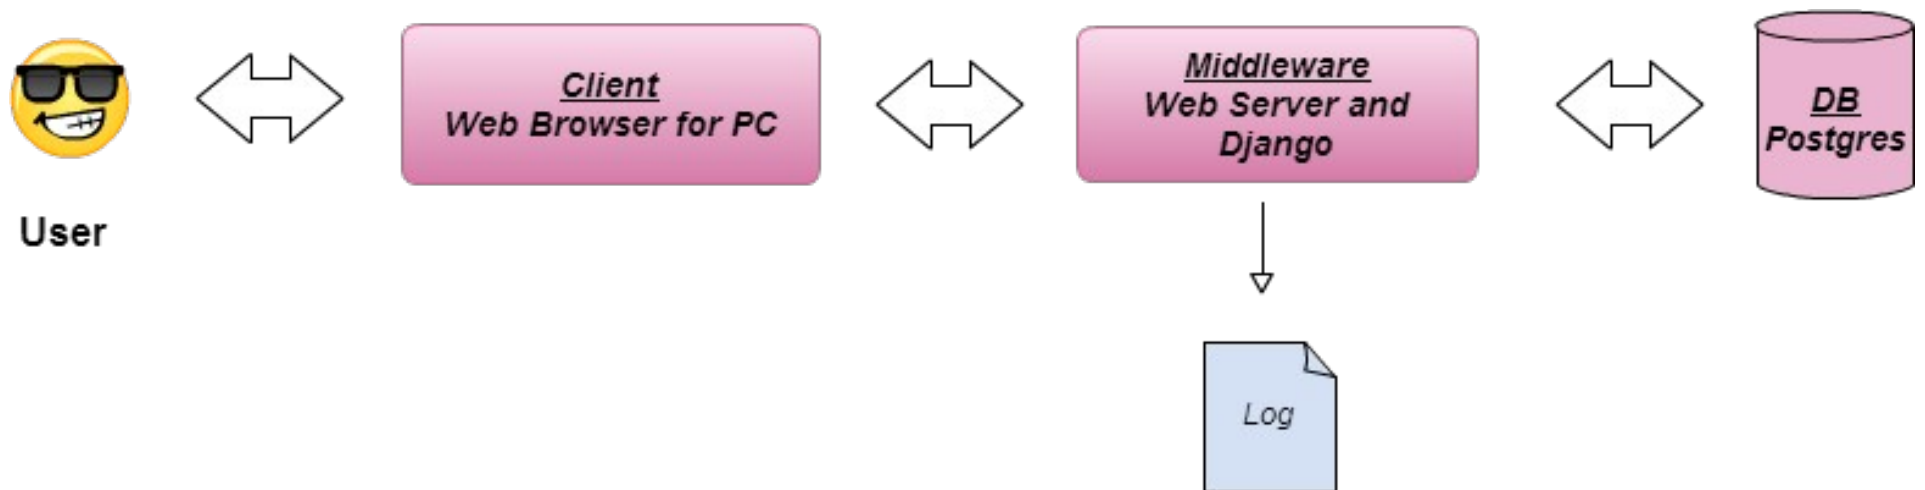

Objective of the Project

“Participants Wanted” with a twist!

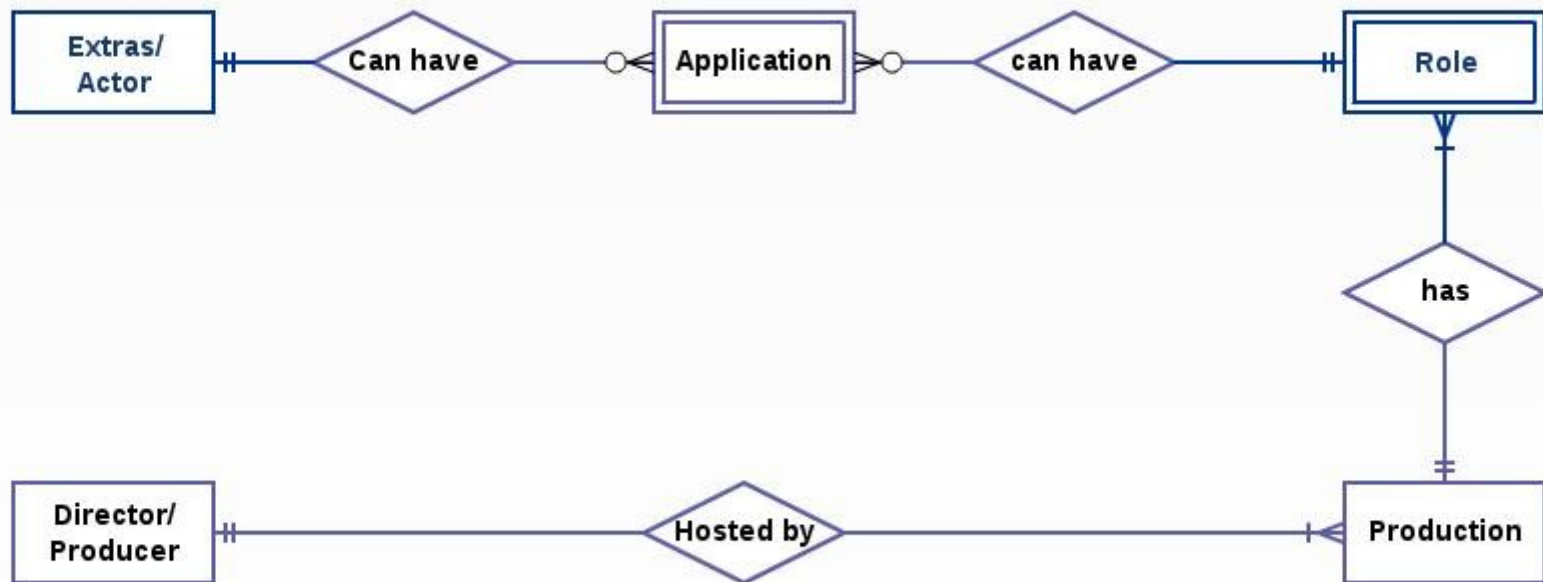

Create a website that:

- matches Extras to roles;
- allows Extras to apply for Movie castings;
- helps Directors/Movie staff to recruit Extras for their productions.

System Architecture

ER Diagram

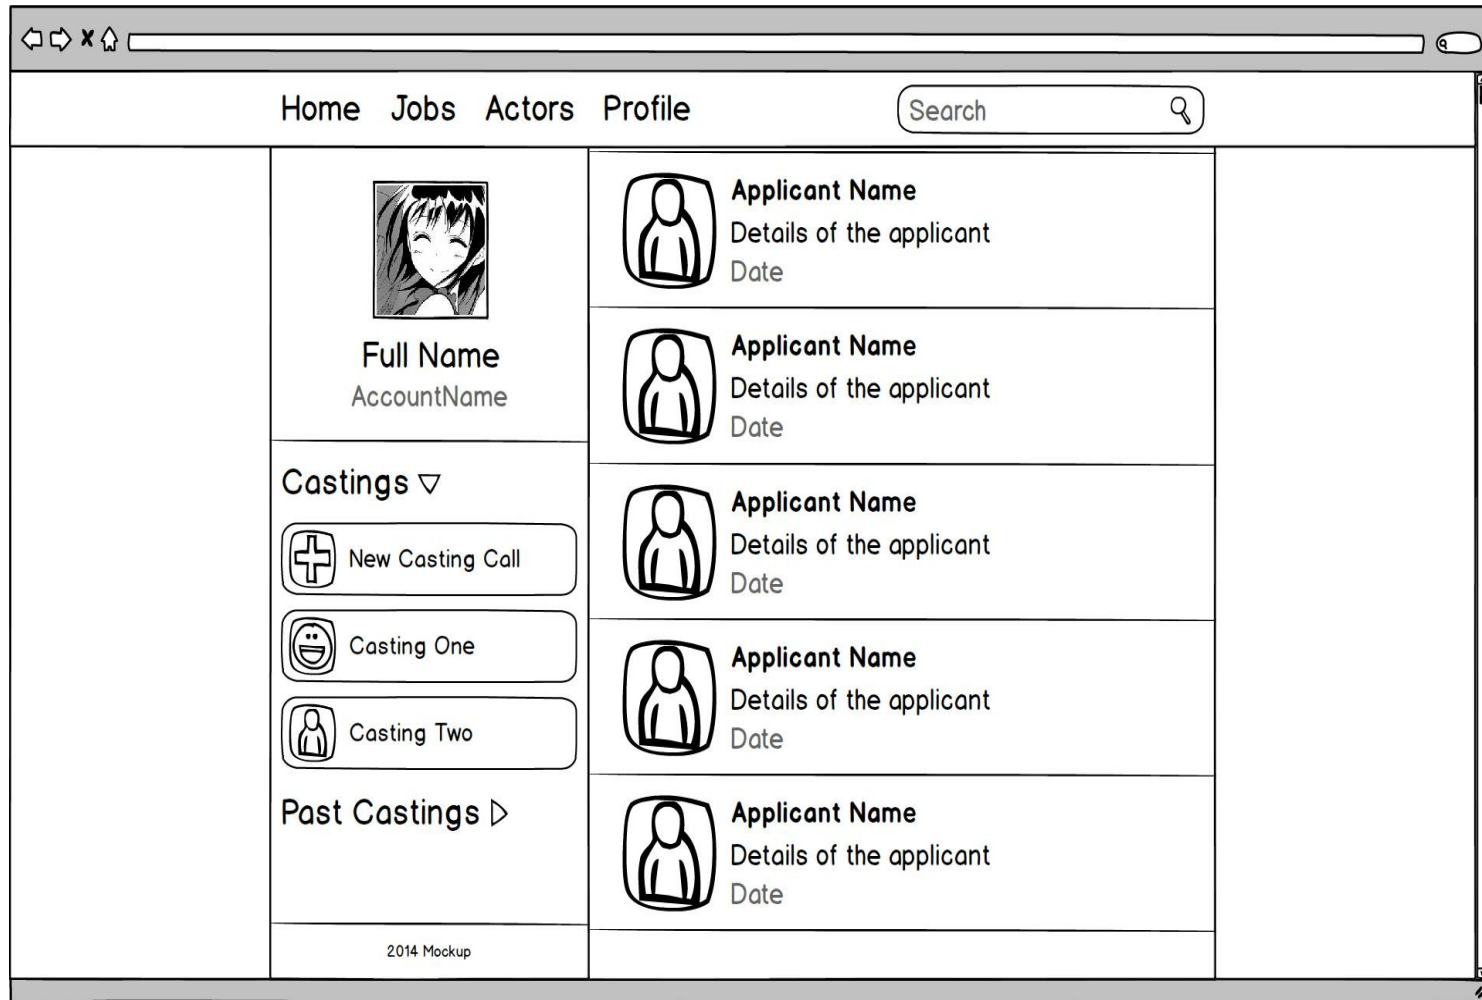

Wireframes

- Home Page

Wireframes

- Director Login

Stand out features

- Questionnaire on registration
- Listings of all actors and acting jobs
- Actor rating 
- Filter relevant roles to actors

Questions?

Requirements/User Stories

Must have:

- As an Extra I want to sign up so I can apply for roles.
- As an Extra I want to browse a list of roles and their description so I can find a role that suits me best.
- As an Extra I want to apply for a role so the director/producer can consider me.
- As a Director/Producer I want to sign up so I can post roles that need to be filled.
- As a Director/Producer I want to post a new production so I can advertise roles.
- As a Director/Producer I want to notify an Extra of the outcome of their application.

Requirements/User Stories

Should have:

- As a Director/Producer I want remove old postings so I don't receive applications for filled roles.
- As a Director/Producer I want to browse a directory of available Extras so that I can target for specific roles.
- As a Director/Producer I want to view the people I've hired before so that I can contact them again.
- As a Director/Producer I want to leave a review for an Extra so that I can further their career.

User Persona (Extra)

David is a budding actor but realises that to receive recognition and acquire industry connections, being an Extra is a good place to start and could provide him with a gateway into more substantial acting work.

David is keen on having somewhat of an online presence in the world of Extra work, as this could improve his chances of steady and regular work. Receiving positive reviews on jobs will provide a good stepping stone towards his efforts on achieving the Movie acting career he so desires.

Key Functions

- Browsing for roles
- Applying for roles
- Editing profile - e.g photo upload

Critical Needs

- Review System
- Job feed applicable to him

User Persona (Casting Director)

Mark is an experienced casting director. He has been working in the industry for many years and knows what to look for.

His current employer is looking to hire a large number of diverse Extras for a project. As the person in charge of employing actors, Mark is looking for a good directory of Extras to browse and pick actors to fill his employer's requirements.

Key Functions

- Find extras
- Oversee their employment

Critical Needs

- Put up ads
- Search for people with specific skills/qualities

User Needs Matrix

	Actor	Director
Browse Actors	1	2
Browse Productions	3	2
Browse Roles	3	1
Post a Production	0	3
Post a Role	0	3
Apply for a Role	3	1
Respond to an application	0	3
Sign up	3	3
Sort Roles	2	2
